Very good win over Corrimal last week winning 24-12 with all boys contributing in both attack and defence. Special mention to Cooper Roundtree who played extremely well of his first game of football well done.

Berkeley 8 lost to West's Blue 14

I am very happy with the team in my first week as coach. Western Suburbs are always a hard team to beat and the boys tried very hard and made it a close game that went right down to the wire. We have plenty to work on in both attack and defense with our focus over the next few weeks being on teamwork and listening to and following instructions. Our encouragement award this week went to Lukas - well done. Howard

Berkeley 20 drew with West's Blue 20

A good game of football today. With all boys making better efforts in sharing the ball and tackling. The score reflects the type of game it was, with the lead changing every 2-3 mins. Both teams had chances to put game beyond doubt but just couldn't come up with the try required. We can only keep on improving.

Berkeley vs West's Red

We come up against a strong West's team today, and being our 2nd game for day we ran out of puff. At present our boys are getting maximum time on field playing 2 games each week. But there are going to be times when we just can't compete against the 2nd team on day. Our little legs just won't hold up. But the effort is always there and that's all a coach can ask for. If we continue to train hard, we will improve a great deal.

In attack Tremane, Josh, Manaia, Anthony Mitchell and Callum were best on the day. This week's Best and Fairest Award Antony Crouch Top Tackler Zac Robinson. Well Done Boys

The boys played well for another win for the season. We must learn to tackle around the legs, defense can win games. Again our forwards did not commit in defense. Generally a good first half in attack but we let them back into the game in the second half when we started arguing amongst ourselves we resulted in dropped ball etc. Keep improving each week guys

Berkeley 28 defeated Corrimal 12

Tries: Cody Hird 2, Kyle Tilley, Jeromy Cairns, Josh Honan

Goals: Shawn Bright, Kain Holmes, Jack Kay, Billy Dean

The monkey is off the teams back with its first A grade victory. This win was obtained through good team work with important contributions by all players. The defence was good for most of the match with zero points being conceded in the second half for the second game in a row. We conceded 2 tries in the first half, both of which came after we committed errors to allow Corrimal to attack our line. The half time score was 12 all. Straighter running and more ball movement in the second half enabled us to run in 3 unanswered tries, despite numerous stoppages for injury. Jeromy's running in the 2nd half was powerful and straight, culminating in his long distance try after busting through the defence line. Josh also regularly broke or dented the line on many occasions finishing with a strong try. Billy and Tyrel were non-stop in defence and were supported by the whole team especially Kain, Kyle, Jack and Shawn. Cody at fullback was involved in a lot of defence early and later used his speed to score 2 long distance tries. Riley was excellent at dummy half, while Kurt and JJ tried very hard after coming into the side at late notice. We can improve on this performance and when we do it will be extremely difficult for any side in the competition to beat us. All in all this was good team effort. Well done guys.

In our best defensive effort this year, the boys carried on from where they left off last week and were able to dominate West's all over the park. We worked as a team with everyone chipping in to do their job and if we can keep doing that we are going to be competitive all season. I thought our backing up was vastly improved with some great passing combinations, it was only the last past that let us down and the score could have been anything. Well done to everyone lets lift the bar a little higher again this week as we have Shellharbour and it will be a true test of where we're at. "GO EAGLES"

A much improved game this week especially in defense, but our execution in attack was poor and more work needs to be done in this area. Aaron was cleared of any serious injury following a head knock; unfortunately he will be out for a while. Well Done Boys

A good start to the game saw the Eagles score after having spent little time in the Tigers half. Some good defence and sticking to the game plan saw us hang in there with a 12-16 halftime score. The second half saw us drop off tackles, give silly penalties away and lose heart, less said the better. Great games from Jacob Collie, Mitchell Sylvester and Marwan Choubassi. Rest need to think about whether they want to be playing or not.

Players Player: Dave Wynyard. Coaches Award: Dave Wynyard

We started on fire and scored in the first 2 minutes, from then the first half was all downhill we let in 3 tries and trailed 18-6 at half time. The second half was a much better effort and we could have won the game if a few things went our way. The effort the team showed in the second half was great but the game is played over 80 minutes and we let each other down in the first 40. This week against Shellharbour is a massive game and we need as much support as possible at home. Best on the day was Dave Wynyard, Payne and Crouch.
